

## PRESS RELEASE

### **WOLF THEISS ADVISED IDERA, INC. ON THE ACQUISITION OF APILAYER DATA PRODUCTS GMBH**

**Vienna, 26 January 2021 – Wolf Theiss has advised IDERA, INC., USA, on the acquisition of apilayer Data Products GmbH, Vienna. apilayer will join Idera’s Developer Tools business unit that includes Embarcadero, LANSA, Sencha, Whole Tomato, Froala and FusionCharts.**

Idera, Inc. delivers B2B software productivity tools that enable technical users to do more with less, faster. Idera, Inc. brands span three divisions - Database Tools, Developer Tools, and Testing Tools - with products evangelized by millions of community members and more than 50,000 customers worldwide, including some of the world's largest healthcare, financial services, retail, and technology companies.

apilayer was founded in 2015 by brothers Julian and Paul Zehetmayr in Vienna. apilayer is the leading provider of off-the-shelf, cloud-based API products built to help developers and businesses around the world operate quickly and effectively. Today, organizations of all sizes struggle to support complex digital transformations and exploding demand for connectivity and real-time data. apilayer addresses this demand with highly reliable and scalable APIs that can be configured fast and require minimal maintenance. apilayer’s products serve more than 500,000 customers ranging from individual developers to large enterprises.

The WT team was led by Florian Kuszniere (Partner, Corporate M&A) who was supported by Christopher Jünger (Associate, Corporate M&A), Paulina Pomorski (Senior Associate, IP & IT), Ralf Peschek (Partner, Employment), Helene Schnabl (Associate, Employment), Peter Pichlmayr (Associate, Corporate M&A), Martina Hiebl (Senior Associate, Corporate M&A) and Carolin Ziegler (Consultant, Corporate M&A).
