

The Future of Digital Business

Stefan Wartinger

Counsel, Wolf Theiss

Curriculum Vitae

Stefan Wartinger is a member of the Competition & Antitrust team. His practice includes complex cartel and abuse of dominance cases before the European Commission and the Austrian courts as well as the coordination of leniency applications at a national and EU level. Stefan also has many years of experience in advising on merger control proceedings at a national and EU level. Prior to joining Wolf Theiss, Stefan worked in the Competition team of a leading Austrian law firm in Vienna for many years.

Topic

A game changer for e-commerce and the future of retail? Revision of the Vertical Block Exemption Regulation

"The new Regulation and guidelines are being brought in to replace the current Regulation which came into force in 2010, a mere ten years. Yet it is hard to think of another decade in which the commercial landscape has changed as dramatically. The new Regulation: A suitable "move" to address these changes?"

Wolf Theiss
