**Vienna, 23 June 2022 - Wolf Theiss wins the strongest brand in the category "Real Estate Lawyers Austria" by the European Real Estate Brand Award.**

On 21 June 2022, the European Real Estate Brand Award was presented to the strongest brands in the European real estate industry at the "Reichstag"-building in Berlin.

At the gala, Wolf Theiss was awarded in the category "Real Estate Lawyers Austria".

The law firm was represented at the ceremony by its partners Birgit Kraml, Karl Binder and Peter Oberlechner of the Vienna office's Real Estate team, who accepted the award on behalf of Wolf Theiss.

"This award by a renowned independent research institute is a particular honor for us as it shows that we are recognized by the entire European real estate industry. It is deeply satisfying for us that the passion and the hard work that we are consistently investing into our brand as leading experts in our field is rewarded by the broader market. We wish to thank all members of the real estate community who provided feedback that led to this ranking - particularly our fantastic real estate team for having contributed to this exciting result that we are really proud of", comments Peter Oberlechner, expert in real estate law and partner of the real estate team at Wolf Theiss, on the award received.

The European Real Estate Brand Award is presented by the European Real Estate Brand Institute, a platform for brand management and corporate development in the European real estate industry. For 14 years, the institute has been evaluating the positioning of corporate brands in all relevant sub-sectors and asset classes in Europe on a scientific basis by means of large-scale empirical studies.
