## About

Krzysztof Libiszewski leads the Corporate M&A team in Poland. He specialises in cross-border M&A transactions, takeovers, joint ventures, distressed situations, as well as corporate restructurings. Krzysztof has a strong focus on the private equity industry, but his clients also include strategic and various financial investors. He regularly advises corporate boards on governance issues and publishes on general corporate, M&A and selected capital market topics. He has participated in many complicated domestic and international transactions involving share and asset disposals, asset restructuring and reorganisation of companies. Over the years, he has been also recognised in multiple international legal directories such as Chambers and Partners, IFLR1000 and The Legal 500. Krzysztof is an attorney-at-law admitted to the Warsaw Bar Association. He speaks English fluently.

Law done right.

## Recent work highlights

- Advising Ørsted A/S and Ørsted Polska, global renewable energy companies, on restructuring a joint venture they forged with PGE Polska Grupa Energetyczna, the largest power producing company in Poland, to design, construct and operate offshore wind farms with a total installed capacity of up to 2.5 GW, in the Polish part of the Baltic Sea.
- Advising LyondellBasell Industries, a global leader in developing and supplying materials that enable packaging, health, and transportation solutions, on the Polish law aspects of the acquisition of the Mepol Group, featuring the Italian companies Mepol, Polar, and the Polish company Industrial Technology Investments Poland.
- Advising SK Nexilis, one of the leading manufacturers of copper foil, a critical component of battery anodes, on the construction of a car battery factory in Stalowa Wola.
- Advising TA Associates and its portfolio company Appfire on the acquisition of Software Plant and Spartez.
- Advising Bain Capital on the acquisition of the entire issued and outstanding share capital of Caverion Corporation, a Finnish listed entity, by way of a public tender offer.
- Advising Suez Group on the sale of its recycling & recovery operations to PreZero, part of the Schwarz Group. The transaction, which also covered Germany, Luxembourg and the Netherlands, was valued at EUR 1.1 billion and created a market leader in Germany, Luxembourg, the Netherlands, and Poland.
- Advising Mercor, one of the European industry leaders in passive fire protection systems, on the conclusion and execution of a joint venture agreement with the ASE Technology Group, one of the largest Outsourced Semiconductor Assembly and Test (OSAT) providers, for the manufacture of ELMECH-ASE energy storage units for renewable energy installations and vehicle chargers (EVs), operating at a peak/off-peak tariff, stabilising power supply and providing emergency power.
- Advising ForFarmers, a Dutch agricultural production public company, on the acquisition of 70% shares in Tasomix Group, a producer of quality animal feed, and the conclusion and execution of a shareholders' agreement and strategic joint venture partnership.
- Advising Rekeep, the leading integrated facility management operator in Italy, on the conclusion and execution of a shareholders' agreement and joint venture strategic partnership connected with the acquisition of 80% of the shares in Naprzod, the Polish leader in the healthcare facility management sector.
- Advising Tertinall Investments in a transaction involving the issue of shares and bonds in favour of a new company shareholder, BNP Paribas Bank Polska. The funds raised in the transaction are to be used to further develop the operations of Wysoka Grzęda, a Polish organic egg farm and a direct subsidiary of Tertinall Investments.
