About

Marika Lomashvili is a member of the Banking & Finance team. Known for her outstanding transaction experience, Marika advises lenders and borrowers on domestic and cross-border finance transactions (with the focus on project, acquisition and real estate finance) and debt restructuring transactions. In addition, her expertise includes energy and real estate development projects and NPLs.

Before joining Wolf Theiss finance team in 2014, Marika worked in the capital markets and regulatory team of one of Austria's top tier law firms.

Marika is also a court certified translator for Russian/German languages.

Law done right.

Wolf Theiss
