Real Estate

“

*The whole real estate team was extremely service-oriented, very responsive, well structured and organised in supporting and advising on various topics.*

– Chambers & Partners Europe

## About

Sandra Seldte, a member of our Real Estate team, has extensive experience in the real estate sector. In the course of her career she specialised in particular in real estate project development, with a focus on spatial planning and real estate transactions. Prior to joining Wolf Theiss, Sandra gained valuable experience in the real estate teams of other renowned international and Austrian law firms. Sandra holds a law degree from the University of Vienna.

Law done right.
