WOLF THEISS ADVISES GLOVO IN THE EUR 170 MILLION ACQUISITION OF DELIVERY HERO'S 6 COMPANIES IN CEE

Bucharest, 17 June 2021 – Wolf Theiss successfully assisted Glovoapp23, S.L. ("Glovo"), one of the world's leading multi-category delivery players, in the multijurisdictional EUR 170 million acquisition of the operations of Delivery Hero in Romania, Croatia, Serbia, Bulgaria, Montenegro and Bosnia-Herzegovina. Closings occurred today, 17 June 2021, in Serbia, Bulgaria, Montenegro and Bosnia-Herzegovina, while in Romania the transaction remains subject to clearance by the Romanian Competition Council.

The Romanian team of Wolf Theiss led by Partner Ileana Glodeanu acted as coordinator for the multijurisdictional advice which regarded all stages of the transaction, from the performance of the legal due diligence on the target entities to local advice on the transactional documentation, closing and transitional actions. The acquisition was complex given the nature of the sector, the manner in which the business is organized for the delivery of foods and goods through internet technology, as well as given the transaction structure entailing separate sale purchase agreements. The acquisition of the Serbian, Bulgarian, Montenegrin and Bosnian Delivery Hero entities was completed on 17 June 2021. In Romania, the transaction is conditional upon clearance by the Romanian Competition Council.

Through this landmark deal, Glovo acquired the Foodpanda brand in Romania and Bulgaria, the Donesi brand in Serbia, Montenegro, Bosnia and Herzegovina, and Pauza in Croatia. Earlier this year Wolf Theiss also assisted Glovo in the acquisition of the Slovenian food delivery firm Ehrana.

"This project has been one of the largest transactions for Glovo to date and it has been particularly challenging as it involved several different jurisdictions in Central and Eastern Europe. Over the last months we have been working closely with all Wolf Theiss teams involved in the transaction and their help in each of the jurisdictions and areas of expertise has been essential for the successful achievement of the transaction.", **stated Glovo's Head of Legal** .

"We are grateful to have been together with Glovo and the lead Spanish counsel Uria Menendez in this strategic e-commerce / multi-category delivery app transaction. For Wolf Theiss team, it is always a delight to assist world's leading players in strengthening their footprint in the CEE region. My colleagues in all 6 CEE jurisdictions have masterfully put all their dedication and expertise into the successful completion of this project", commented **Ileana Glodeanu, Wolf Theiss Partner and Coordinator of the Corporate / M&A team in Romania**.
